

8/27/2021

**Subject: Compliance to European Directive 2016/426/EU (RoHS Directive)**

Sensata Technologies, Inc. is committed to achieving compliance for its products relative to the requirements established in Directive 2011/65/EU concerning the Restriction of the use of certain Hazardous Substances (RoHS) in electrical and electronic equipment.

Substances banned as per the Directive include the following:

- **Lead**
- **Mercury**
- **Cadmium**
- **Hexavalent chromium**
- **Polybrominated biphenyls (PBB)**
- **Polybrominated diphenyl ethers (PBDE)**
  - **Including the formally exempted Decabromodiphenyl ether (Deca-BDE)**
- **Bis(2-ethylhexyl) phthalate (DEHP)**
- **Butyl benzyl phthalate (BBP)**
- **Dibutyl phthalate (DBP)**
- **Diisobutyl phthalate (DIBP)**

The enforcement date of the Directive: January 2, 2013.

Sensata Technologies, Inc. uses a variety of methods to determine compliance, including the use of compliance letters, material certifications, and product testing. We endeavor to ensure that our products are in conformance with the RoHS Directive. However, a primary requirement is our dependence upon our suppliers providing accurate information. To the best of our knowledge, **product listed below is compliant with the RoHS directive.**

<b>Sensata Component Part Number</b>	<b>Exemption</b>
Sensata Electronic Modules with part numbers starting with 60001	7c-I & 6c

We hope this satisfies your needs. Should you need additional information, please contact Kathryn Veale at 508-236-1102 or at [kveale@sensata.com](mailto:kveale@sensata.com).

Sincerely,

Michael Mitchell  
FESH & Security Manager
