END OF PRODUCTION NOTIFICATION

EOP No.: EOP190601

This End of Production Notification serves to inform the Purchaser and Consumer of discontinued availability of the Crydom part numbers listed herein in accordance with the described time line.

Issue Date: June 4th 2019

Effective Date: June 4th 2019

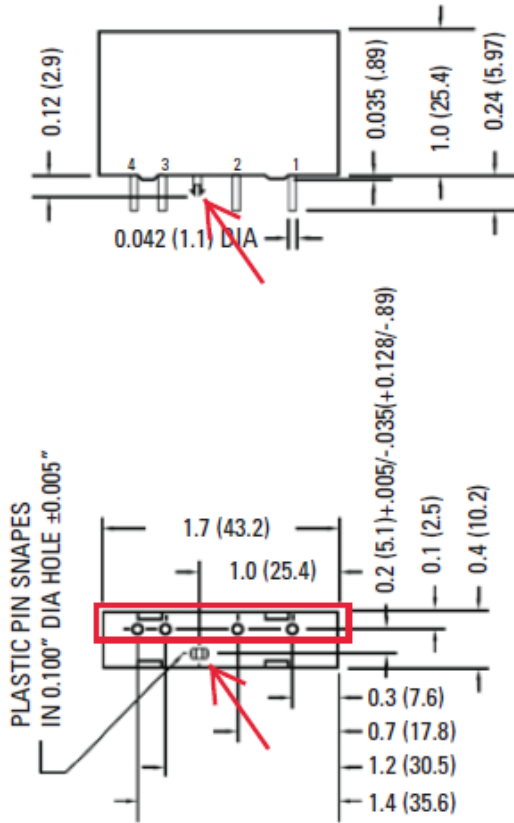

Subject:

Obsolescence of Output Module SM-ODC5F

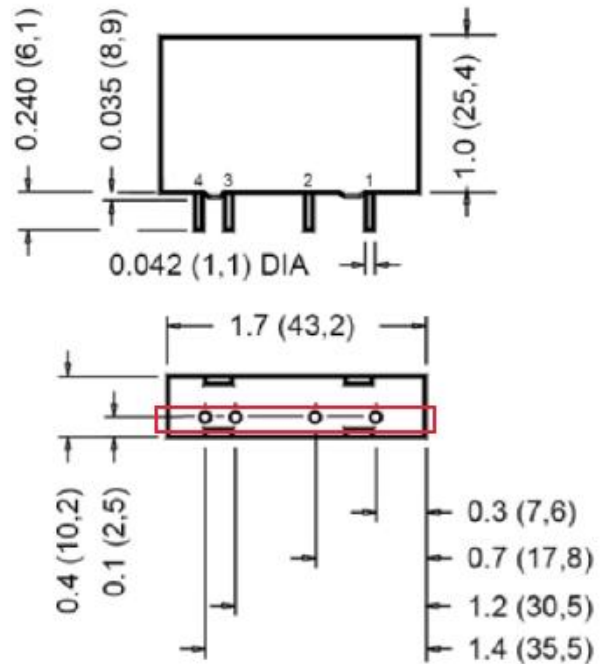

Scope:

Production of DC Output Module P/N **SM-ODC5F** has been discontinued due to the use of older technologies and the availability of specific raw material components. This goes into effect immediately at the date of this notification.

The discontinued module can be replaced by part number **M-ODC5F**, which has the same electrical specifications, same pinout and same overall mechanical dimensions. The main difference is the position of the pins with respect to the plastic housing and the absence of a locator pin, as shown in the following images:

SM-ODC5F

M-ODC5F

Products/Models this EOP applies to:

Obsolete Part Number	Suggested Replacement	Comments
SM-ODC5F	M-ODC5F	Same electrical specs and pin layout, but there is no pin locator.

Last Time Buy Date:

No Last Time Buy orders are allowed due to material availability.

Last Ship Date:

N/A

Stock Returns:

Standard annual stock rotation and warranty provisions per contract apply. There is no need to return stock.

A handwritten signature in blue ink, appearing to read "Jesus Miranda", with a long, sweeping flourish extending to the right.
